

# LABOR TIMES, SERVICE GUIDES & PARTS CROSS REFERENCE BY MOTOR

Gain access to the world's largest parts cross-reference, up-to-date labor times, wiring diagrams, and step-by-step service guides.

Invoice your jobs with confidence, because FleetCross by MOTOR has your back with world-class labor time guides. Plus, find parts cross-references, step-by-step service guides, and wiring diagrams at your fingertips.

## Labor Time Guides give your shop:

- ✓ Accurate estimates for labor times, including tests.
- ✓ Transparency into when labor time begins for a specific task.
- ✓ Ability to search by a unit's year, make, model, and engine.
- ✓ Thousands of updates each month to maintain industry standards

### **Parts Cross-Reference gives your shop:**

- ✓ Search across millions of cross-reference parts.
- ✓ View images of the part you searched for.
- ✓ Parts interchange updated monthly.

### **Truck Service Guide gives your shop:**

- ✓ Step-by-step diagnostic tests and repair procedures.
- ✓ Access visual guides including wiring diagrams.
- ✓ Heavy-duty inspection troubleshooting guides.

### **What is the impact on your shop?**

- ✓ Faster labor time estimation.
- ✓ A whole new world of parts cross-reference capabilities.
- ✓ Satisfy your customers with hyper-accurate job estimates.
- ✓ Defensive labor hours backed up by the industry standard.
- ✓ Empower technicians to earn more for their families and the shop.

### **Ease of implementation:**

1. Toggle Fullbay Connect on
2. Once Fullbay Connect is live, toggle MOTOR on.
3. "MOTOR Driven" buttons will be located throughout Fullbay in relevant areas
  - a. Ex: parts cross-reference is located within parts inventory
